

Beds

Plissé

It is a fabric or eco-leather bed with a pleated headboard that requires metres of fabric and complex craftsmanship. It is a tribute to Dall'Agnese's tailoring tradition, conceived for those who appreciate a simple, refined design made with hours of care and precise movements.

UPHOLSTERED BED WITH REMOVABLE COVER

The Plissé bed combines a distinctive headboard, enriched by the thick vertical pleating, with a fully removable cover, with a bed frame that is also upholstered and padded in the same colour, and feet that differ in terms of materials and finishes, capable of imparting a different character to the whole. Also denoting personality is the combination with the Ronda bedside table.
